

AGN. NO. _____

MOTION BY SUPERVISOR DON KNABE

February 7, 2006

On April 6, 2004, the Board of Supervisors approved a reward offer of \$10,000 for information leading to the arrest and conviction of the person responsible for the death of 51-year-old James Ramos who was gunned down outside his Hacienda Heights home. The incident occurred at approximately 3:15 a.m., on the 16300 block of Canelones Drive. The detectives working on this case had indicated that the reinstatement of the reward would be helpful in bringing resolution to this case.

Subsequently, an informant provided the necessary information to affect the arrest and eventual conviction of the persons responsible for this murder.

Due to the length of the trial, the informant was unable to file a claim within the allotted time.

I, THEREFORE MOVE that the Board of Supervisors reinstate the \$10,000 reward so that any individual who provided information will be eligible to file a claim for the reward, and that the same terms and provision of the original reward be offered.
